Sir/Madam,

Sub. : Re-organisation of the Parent Teachers Association (PTA) with Nomenclature as Parent Teacher Council (PTC)-Follow-up action-Reg.

Reg. : This Office Letter No. 27-216/88-NVS(SA) dated 21st July 1992¹.

In continuation to this office correspondence reference cited, instruction for formation of convening of Parent Teacher Association (PTA) meetings in the Vidyalayas, I am to observe that the present system of organisation of PTAs and their utilisation and participation in strengthening the functioning of the Vidyalayas has been far from satisfactory. While there are some limited instances where the PTA has been a great source of strength of functioning, in most of the Vidyalayas, they have been ornamental. In certain cases they are also misunderstood to be forums for complaints and grievances to higher authorities.

The recent surveys and evaluation studies conducted by Independent Institutions have recommended for strengthening the role and involvement of the PTAs in effective management of the Vidyalaya. They are also to be seen as crucial forum for stakeholders satisfaction and accountability to parents.

As the Navodaya Vidyalaya Scheme has become massive programme, a time has now come to review re-organise the role and functioning of the PTAs and to develop them as institutions of partners in progress of Vidyalaya.

This letter supersedes the instructions given earlier regarding composition and activities of PTA and replace with the following instructions and guidelines.

To start with nomenclature of PTA may be changed to Parent Teachers Council (PTC).

The composition of PTC should be as follow:

1. Principal of the Vidyalaya - Chairman
2. 15 Representative to be nominated by General Body of parents in proportion to the sections in the Vidyalaya with a female-male ratio of proportionate strength of boys and girls.
3. Five teachers representatives (minimum of two female staff to be nominated by teachers).
4. Vice-Principal of the Vidyalaya will function as Member Secretary.
