Sir/Madam, -

Sub. : Re-organisation of the Parent Teachers Association (PTA) with Nomenclature as Parent Teacher Council (PTC)-Follow-up action-Reg.

Reg. : This Office Letter No. 27-216/88-NVS(SA) dated 21st July 1992¹.

In continuation to this office correspondence reference cited, instruction for formation of convening of Parent Teacher Association (PTA) meetings in the Vidyalayas, I am to observe that the present system of organisation of PTAs and their utilisation and participation in strengthening the functioning of the Vidyalayas has been far from satisfactory. While there are some limited instances where the PTA has been a great source of strength of functioning, in most of the Vidyalayas, they have been ornamental. In certain cases they are also misunderstood to be forums for complaints and grievances to higher authorities.

The recent surveys and evaluation studies conducted by Independent Institutions have recommended for strengthening the role and involvement of the PTAs in effective management of the Vidyalaya. They are also to be seen as crucial forum for stakeholders satisfaction and accountability to parents.

As the Navodaya Vidyalaya Scheme has become massive programme, a time has now come to review re-organise the role and functioning of the PTAs and to develop them as institutions of partners in progress of Vidyalaya.

This letter supersedes the instructions given earlier regarding composition and activities of PTA and replace with the following instructions and guidelines.

To start with nomenclature of PTA may be changed to Parent Teachers Council (PTC).

The composition of PTC should be as follow:

1. Principal of the Vidyalaya - Chairman
2. 15 Representative to be nominated by General Body of parents in proportion to the sections in the Vidyalaya with a female-male ratio of proportionate strength of boys and girls.

1. Copy enclosed. See page 467

3. Five teachers representatives (minimum of two female staff to be nominated by teachers).
4. Vice-Principal of the Vidyalaya will function as Member Secretary.

A detailed note indicating the purpose for which PTCs are constituted, its aims and objectives, composition and functional responsibilities are enclosed to this letter.

The Dy. Directors are requested to ensure that PTCs are organised accordingly before 15th October, 2002 and send compliance. Each Assistant Director should be made responsible for 10-12 Vidyalayas in his cluster for formation of the PTC. The Asstt. Directors should participate in the first meeting of the PTC and explain to the Members the objectives, purpose and functional responsibility of the PTC in a General Body meeting of the parents and teachers.

I am convinced that if appropriate efforts are made from our side for utilising the collective wisdom, resourcefulness, interest and commitment of the parents for the betterment of their wards, the PTC will become a great source of strength for effective running of the Vidyalaya and will help in eliminating the shortcomings in the system. This will also give a feeling of participation to the parents and make them responsible for the growth of the institution. Further the reputation, prestige and recognition to the institutions will tremendously improve for judging the performance of the Navodaya Vidyalayas. It will reduce conflicts and complaints on petty issues. The continuous participation of parents in functional growth of the Vidyalaya will further cement the bonds of respect, concern and appreciation to the institutions across the district. With such a well planned involvement of parents and local community, the Navodaya Vidyalaya scheme aimed at identification and grooming of rural talent will develop in to a great movement.

I am sure that you will understand the long term advantage of support and participation of parents and teachers to the Vidyalaya and will make all out efforts to constitute, streamline and strengthening all the PTCs in your region.

Yours faithfully,

(D.K. Kotia)
Commissioner
