Sir,

As per the directions received from NVS HQrs Noida, it is to inform you that with the collaboration of TATA Motors, the Special Academic Support programme was initiated in 2019-20(Cohort- I) for Senior Secondary Students for preparation to JEE / NEET at JNV Nalanda for Patna region and JNV Sangli for Pune region.

It is known fact that the conduct of regular summer programme in the two JNVs is not possible due to Covid 19 pandemic.

However, the students and the identified teachers are required to be connected through online classes for continuation of the programme with the same spirit.

In consultation with all the concerned, the following decisions are shared for immediate compliance at NVS, HQrs.

1. The Knowledge partners (Ex Navodayan Foundation and Avanti Fellows) shall arrange for online training to teachers and online classes by 30<sup>th</sup> April, 2020 to the students where ever they are.
2. Online training to the teachers on teaching strategies, sharing of lessons and ppts and other supporting material etc. will be provided by the Knowledge partners respectively.
3. Online support includes live lectures, recorded lectures and periodical assessment with online interventions / interactions as far as possible to clarify the doubts and concepts.
4. Each JNV shall continue to support the respective children through a coordinating teacher.

In the light of the above, it is to ensure that :

- a) The time table should be prepared in consultation with the knowledge partners.
- b) Plan for the implementation of the points mentioned as above at point 3.
- c) All the teachers and students are to be intimated about the commencement of online classes for cohort 1 students.

Therefore, you are hereby requested to coordinate with Students, Teachers and knowledge partners for successful implementation forthwith.

Yours faithfully
