Introduction and Scheme of Examination

The Ministry of Human Resource Development (MHRD), Government of India (GoI) has established National Testing Agency (NTA) as an independent autonomous and self-sustained premier testing organization under Society Registration Act 1860 for conducting efficient, transparent and international standards tests in order to assess the competency of candidates for admissions to premier higher education institutions.

The Department of Higher Education, Ministry of Human Resource Development, Government of India has entrusted the responsibility of conducting Joint Entrance Examination JEE (Main) to the NTA from 2019 onwards.

About JEE (Main) – 2020

The JEE (Main)-2020 will be conducted twice before admissions in the next academic session. The students will have following benefits of the new pattern:

- This will give one more opportunity to the students to improve their scores in examination if they fail to give their best in first attempt without wasting their whole academic year.
- In first attempt, the students will get a first-hand experience of taking an examination and to know their mistakes which they can improve while attempting for the second time.
- This will reduce chances of dropping a year and droppers would not have to waste a full year.
- If anyone missed the examination due to reasons beyond control, then he/she won't have to wait for one full year.
- The student's best of the two NTA scores will be considered for preparation of Merit List/ Ranking.

The first JEE (Main) – 2020 was held in January 2020 whereas the second will be held in April, 2020.

It is important to note that the State code of eligibility does NOT depend upon the native place or the place of residence of the candidate. For example, if a candidate appears for the Class XII examination in New Delhi and is a resident of NOIDA, Uttar Pradesh, the candidate's State code of eligibility will be that of Delhi and NOT that of Uttar Pradesh.

If a candidate has passed Class XII (or equivalent) qualifying examination from one State but appeared for improvement from another State, the candidate's State code of eligibility will be from where the candidate first

passed the Class XII (or equivalent) examination and NOT the State from where the candidate has appeared for improvement.

Candidate passed/appearing class 12th from NIOS should select the State of Eligibility according to the State in which the study centre is located.

For Indian nationals passing the Class XII (or equivalent) examination from Nepal/Bhutan, the State code of eligibility will be determined on the basis of permanent address in India as given in the passport of the candidate.

The State code of eligibility of OCI/PIO passing Class XII (or equivalent) examination in India is at par with Indian nationals. However, OCI/PIO passing the Class XII (or equivalent) examination from an institution abroad are eligible for Other State quota seats or All India quota seats (but NOT for Home State quota seats) in all NITs, IEST and Other-CFTIs
